| C Super CI Start at the top, tall curve down D Start at the top, tall line down + tall curve E Start at the top, tall line down + short line + short line F Start at the top, tall line down + short line + short line G Start at the top, (Super C), tall curve down + short line up + short line H Start at the top, tall line down + tall line down + short line Start at the top, tall line down + short line + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down E Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall line up O Start at the top, (Super C), tall curve down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up Start at the top, tall line down + short curve + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line | A | Start at the top, tall line slant down + tall line slant down + short line |
| Start at the top, tall line down + tall curve E Start at the top, tall line down + short line + short line F Start at the top, tall line down + short line + short line G Start at the top, (Super C), tall curve down + short line up + short line H Start at the top, tall line down + tall line down + short line Start at the top, tall line down + short line + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down E Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line up Start at the top, tall line down + tall line slant down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve Start at the top, tall line down + short curve + short line slant down Start at the top, tall line down + short curve + short line slant down Start at the top, tall line down + short curve + short line slant down Start at the top, tall line down + short curve T Start at the top, tall line down + short line U Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line slant down, tall line slant up | В | Start at the top, tall line down + short curve +short curve |
| E Start at the top, tall line down + short line + short line F Start at the top, tall line down + short line + short line G Start at the top, (Super C), tall curve down + short line up + short line H Start at the top, tall line down + tall line down + short line Start at the top, tall line down + short line + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S tart at the top, tall line down + short curve + short line Start at the top, tall line down + short curve T Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line Start at the top, tall line down + short line | C | Super C! Start at the top, tall curve down |
| Start at the top, tall line down + short line + short line Start at the top, (Super C), tall curve down + short line up + short line Start at the top, tall line down + tall line down + short line Start at the top, tall line down and turn + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall curve up O Start at the top, (Super C), tall curve down + tall curve up P Start at the top, tall line down + short curve Q Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve T Start at the top, tall line down + short line U Start at the top, tall line down + tall line slant down V Start at the top, tall line slant down + tall line V Start at the top, tall line slant down + tall line slant up | D | Start at the top, tall line down + tall curve |
| Start at the top, (Super C), tall curve down + short line up + short line Start at the top, tall line down + tall line down + short line Start at the top, tall line down and turn + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve O Start at the top, tall line down + short curve R Start at the top, tall line down + short line slant down S Start at the top, tall line down + short line slant down S Start at the top, tall line slant down + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up | Ears | Start at the top, tall line down + short line + short line + short line |
| Start at the top, tall line down + tall line down + short line Start at the top, tall line down + short line + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall line up Start at the top, (Super C), tall curve down + tall curve up P Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve + short line Start at the top, tall line down + short curve T Start at the top, tall line down + short line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up | F | Start at the top, tall line down + short line + short line |
| Start at the top, tall line down + short line + short line Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line slant down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall line up O Start at the top, (Super C), tall curve down + tall curve up P Start at the top, tall line down + short curve Q Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve T Start at the top, tall line down + short line Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up | G | Start at the top, (Super C), tall curve down + short line up + short line |
| Start at the top, tall line down and turn + short line K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall line up O Start at the top, (Super C), tall curve down + tall curve up P Start at the top, tall line down + short curve Q Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, tall line down + short curve T Start at the top, tall line down + short line U Start at the top, tall line down + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant down, tall line slant down, tall line slant up | H | Start at the top, tall line down + tall line down + short line |
| K Start at the top, tall line down + short slant down + short slant down L Start at the top, tall line down + short line M Start at the top, tall line slant down + tall line slant up + tall line down N Start at the top, tall line down + tall line slant down + tall line up O Start at the top, (Super C), tall curve down + tall curve up P Start at the top, tall line down + short curve Q Start at the top, (Super C), tall curve down + tall curve up + short line R Start at the top, tall line down + short curve + short line slant down S Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | L | Start at the top, tall line down + short line + short line |
| Start at the top, tall line down + short line Start at the top, tall line down + tall line slant up + tall line down Start at the top, tall line down + tall line slant down + tall line up Start at the top, (Super C), tall curve down + tall curve up Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, tall line down + short curve T Start at the top, tall line down + short line U Start at the top, tall line down + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | the state of the s | Start at the top, tall line down and turn + short line |
| Start at the top, tall line down + tall line slant down + tall line slant up + tall line down Start at the top, tall line down + tall line slant down + tall line up Start at the top, (Super C), tall curve down + tall curve up Start at the top, tall line down + short curve Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve The start at the top, tall line down + short line Under the top tall line + turn + tall line Very Start at the top, tall line slant down + tall line slant up We start at the top, tall line slant up, tall line slant down, tall line slant up | K | Start at the top, tall line down + short slant down + short slant down |
| Start at the top, tall line down + tall line slant down + tall line up Start at the top, (Super C), tall curve down + tall curve up Start at the top, tall line down + short curve Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | | Start at the top, tall line down + short line |
| Start at the top, (Super C), tall curve down + tall curve up Start at the top, tall line down + short curve Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up Start at the top, tall line slant down, tall line slant down, tall line slant up | M | Start at the top, tall line down + tall line slant down + tall line slant up + tall line down |
| Start at the top, tall line down + short curve Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | N | Start at the top, tall line down + tall line slant down + tall line up |
| Start at the top, (Super C), tall curve down + tall curve up + short line Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up Start at the top, tall line slant up, tall line slant down, tall line slant up | 0 | Start at the top, (Super C), tall curve down + tall curve up |
| Start at the top, tall line down + short curve + short line slant down Start at the top, short curve + short curve T Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | P | Start at the top, tall line down + short curve |
| Start at the top, short curve + short curve Start at the top, tall line down + short line U Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up W Start at the top, tall line slant up, tall line slant down, tall line slant up | Q | Start at the top, (Super C), tall curve down + tall curve up + short line |
| Start at the top, tall line down + short line Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up Start at the top, tall line slant up, tall line slant down, tall line slant up | R | Start at the top, tall line down + short curve + short line slant down |
| Start at the top, tall line + turn + tall line V Start at the top, tall line slant down + tall line slant up Start at the top, tall line slant up, tall line slant down, tall line slant up | S | Start at the top, short curve + short curve |
| Start at the top, tall line slant down + tall line slant up Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up | T | Start at the top, tall line down + short line |
| Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up | U | Start at the top, tall line + turn + tall line |
| | V | Start at the top, tall line slant down + tall line slant up |
| Stant at the ten tall line clant down , tall line slant down | W | Start at the top, tall line slant down, tall line slant up, tall line slant down, tall line slant up |
| X Otal at the top, tall life start down + tall life start down | X | Start at the top, tall line slant down + tall line slant down |
| Y Start at the top, short line slant to middle + tall line slant down | Y | Start at the top, short line slant to middle + tall line slant down |
| Z Start at the top, short line + tall line slant down + short line | Z | Start at the top, short line + tall line slant down + short line |

Verbal Commands for Letters - Lowercase

| a | Start at the middle, (Super C!), short line up + short line down |
|-------------------------|------------------------------------------------------------------------------------------------------|
| Ь | Start at the top, tall line down + short line back up + turn + short curve around |
| С | Start at the middle, (Super C!), short curve |
| d | Start at the middle, (Super C!), tall line up + tall line down |
| e | Start between the middle and bottom, short line out + short curve around |
| £ | Start between the middle and top line, small curve up + tall line down + short line |
| 9 | Start at the middle, (Super C!), tall line dropping + turn |
| h | Start at the top, tall line down + short line back up + turn + short line down |
| | Start at the middle, short line down + dot |
| l a | Start at the middle, tall line dropping + turn + dot |
| k | Start at the top, tall line down, short line slant down + short line slant down |
| | Start at the top, tall line down |
| m | Start at the middle, short line down + short line back up + turn + short line down + short line down |
| n | Start at the middle, short line down + short line back up + turn + short line down |
| O | Start at the middle, (Super C!), short curve + short curve |
| р | Start at the middle, tall line dropping + tall line back up to middle + small curve around |
| q | Start at the middle, (Super Cl), tall line dropping + turn |
| r | Start at the middle, short line down + short line back up + short curve |
| S | Start at the middle, little short curve (super c) + turn down + little short curve |
| + | Start at the top, tall line down + short line |
| u | Start at the middle, short line down + turn + short line up |
| V | Start at the middle, short slant down + short slant up |
| W | Start at the middle, short slant down + short slant up + short slant down + short slant up |
| X | Start at the middle, short line slant + short line slant |
| y (PK-K) | Start at the middle, short line slant down + tall line slant dropping |
| y (1*-2 nd) | Start at the middle, short line down + turn + short line up + tall line dropping + turn |
| Z | Start at the middle, short line + short line slant down + short line |

Verbal Commands for Numbers and Punctuation

| 0 | Start at the top, (Super C), tall curve down + tall curve up |
|----------------------------------------|---------------------------------------------------------------------------------------|
| | Start at the top, tall line down |
| 2 | Start at the top, tall curve + short line |
| 3 | Start at the top, short curve + short curve |
| 4 | Start at the top, short line + short line + tall line |
| 5 | Start at the top, short line + short curve + short line |
| 6 | Start at the top, tall curve down + turn + short curve around |
| 7 | Start at the top, short line + tall line slant down |
| 8 | Start at the top, short curve + short curve + turn + short curve + short curve around |
| q | Start at the top, short curve + turn up + tall line down |
| | |
| ************************************** | Start on the bottom, dot sits on the bottom line |
| ? | Start between the middle and top line, short curve + short line + dot |
| 1 | Start at the top, tall line almost to bottom + dot |
| | |
