LATE WORK

Work may be turned in up to 3 days late with a 25-point penalty. Projects will be given a due date and are required to be turned in on or before that day. Absence from school will not be an excuse for turning in projects late.

ABSENCES

If you are absent, you are expected to get the notes and assignments, and complete them on your time in a timely manner

TUTORIALS

See me for an appointment.

* If you fall behind, it is your responsibility to get caught up.

**IN CLASSROOM
EXPECTATIONS**

- Come to class prepared and ready to work each day.
- Sharpening pencils, throwing away trash, crumpling up papers, etc... should be done before or after class, not during.
- Be seated, quiet, and working on the warm-up, and have homework out to be checked when the tardy bell rings.
- Do not touch anything on my desk and do not go behind my desk.
- Do all work to the best of your ability.
- Be respectful and courteous to others.
- Must ensure that all materials are put back where they belong and clean up any messes made during activities or projects.
- Obey all campus and district codes of conduct.
- Obey the honor code. No cheating.

**CLASSROOM
POLICIES**

- Students may not consume any food or drink while in class.
- Students may not use a cell phone or any electronic entertainment devices for any reason while in class. If I see or hear them, I will take them and turn them into the office.
- Students must be in dress code and wearing their ID before they enter the room.
