

Welcome to Ms. N's Class!

Hello Parents,

I would like to take this time to introduce myself if we have not yet met. My name is Ms. N, or Ms. Nikravan, and I am your student's Algebra 1 teacher. This letter is presented to inform you of my expectations for your child and give you a direction of where we are going in this class.

Supplies Needed

1. A positive attitude ☺
2. Laptop

Optional Supplies (for extra credit)

1. Hand sanitizer
2. Kleenex box (I will be the happiest teacher ever if you bring me a Kleenex box!)

Rules

1. Have a positive attitude (this is essential to learning math! It's going to be challenging, but stay positive and you'll get it)
2. Respect everyone (we're a family in this class – leave any beef you have at the door)
3. Absolutely **no** cellphones during my class (Algebra is a lot more confusing when you're sending your Snapchat streaks while we're learning)
4. Do not **“yeet”** anything across the classroom.
5. Stay **seated** until the bell rings to dismiss (you won't be excited to leave anyway)
6. Follow school and classroom rules, routines, and procedures. ☺
7. Have fun (this is nonnegotiable – you'll have fun in this class!)

Grading Scale

Daily Grades 20%

Classwork
Homework

Minor Grades 30%

Quizzes

Major Grades 50%

Tests
Projects

Make-Up Work/Tutorials

1. Students will be allowed the number of days absent to make up the missing work (this does **not** include projects that have been assigned days in advance). It is the student's responsibility to obtain missed work.
2. I will have tutorials every Tuesday and Wednesday from 2:45pm – 3:15pm. This will change once basketball season starts.

I am really excited to start the semester and am confident that everyone will be successful! If there are any questions, do not hesitate to reach out. My phone number is (409) 927-3265 and my email address is nikolete.nikravan@sfsd.org. Remind 101 is the fastest way to get ahold of me. Thank you for your support and cooperation.

Sincerely,

Ms. Nikravan
